

SOLVENTA

TRADE & CONSULTING

Connecting Markets. Creating
Value.

About the Company

SOLVENTA Trade & Consulting is an international consulting and trade company specializing in commercial operations, sourcing, and business development between Europe, the Middle and the Far East. We help clients identify opportunities, establish reliable partnerships, and create sustainable commercial value through professional support and transparency.

Strategic Outlook

Our Mission

To create efficient and reliable business connections between companies in Europe, the Middle and the Far East by providing professional support and long-term value.

Our Vision

To become a recognized international partner in trade & consulting, helping companies expand into new markets and build sustainable commercial relationships.

Core Business Areas

International Trade

Expert support for export/import operations and manufacturer sourcing.

Business Consulting

Market entry strategies and partner search in international markets.

Sourcing & Supply

Coordination of supply chains and procurement optimization.

Geographical Focus

-  **Bulgaria:** Regional hub for operations.
-  **European Union:** Strategic trade partnerships.
-  **Middle & Far East:** Sourcing and manufacturing core.
-  **Global:** Expanding partner markets.

The SOLVENTA logo is positioned in the top right corner. It features the word "SOLVENTA" in a bold, blue, sans-serif font with a white outline. Above the text is a stylized orange and white swoosh that curves over the letters.
